Don't take on the IRS alone!

This may be your first time with an IRS problem, but this is what we do best.

There are few financial situations that can be as stressful to deal with as IRS debt. Fortunately, there's no need for you to try and resolve your problems with the IRS on your own. AmeriStar is prepared to handle all communication and correspondence with the IRS during your case until a tax resolution has been reached.

The AmeriStar Tax Team has successfully negotiated thousands of cases with the IRS.

Our team of professionals have an exceptional track record - and have helped thousands of people just like you manage their personal and business finances by resolving their federal and state tax collection problems.

Our people are uniquely qualified to assist you and earn your trust.

AmeriStar Tax Centers staff of tax professionals, Enrolled Agents, and CPAs have many years of combined experience in dealing with IRS issues. Our tax professionals are comprised of former state revenue officers, IRS agents and tax advocates that now work to protect your rights when dealing with the IRS.
