# Is the IRS ruining your life?

Don't take on the IRS alone. You can end the despair you feel right now.

Are you afraid of losing everything? You can end the despair you feel right now by reaching out to AmeriStar's tax professionals to help solve your IRS nightmare.

IRS problems have a way of ruining every aspect of your life if you let them. They don't go away on their own. The IRS can attach your wages, your pension, your savings, even your social security check.

There are few financial situations that can be as stressful to deal with as IRS debt. Fortunately, there's no need for you to try and resolve your problems with the IRS on your own. AmeriStar is prepared to handle all communication and correspondence with the IRS during your case until a tax resolution has been reached.

## Turn to AmeriStar and level the playing field.

Our team of professional's have an exceptional track record - and have helped thousands manage their personal and business finances by resolving their federal and state tax collection problems.

AmeriStar Tax Centers staff of tax professionals, Enrolled Agents, and CPAs have many years of combined experience in dealing with IRS issues. Our tax professionals are comprised of former state revenue officers, IRS agents and tax advocates that now work to protect your rights when dealing with the IRS.

Just call our toll free number 800-233-4700, and then select option 5 to hear a 5 minute recorded message on how AmeriStar representation can make a difference.
